

Mayor signs Highway 41 widening agreement

Elk Point Town Council gave approval last week to the signing of an agreement with the Provincial government for a multimillion-dollar project which will see Highway 41 widened from the town's north limits to Secondary Highway 646, south of Elk Point.

Bylaw 440/86 was passed at a special meeting of Council on

Wednesday, July 30, with Mayor Ed Buck subsequently signing the agreement. The agreement now goes back to Alberta Transportation for signature by the Minister.

Council also voted to retain the services of the engineering firm Stanley Associates Ltd. to provide construction management services on the widening project.

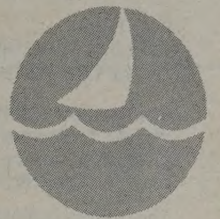

The project will necessitate moving a 72 kv transmission line owned by Alberta Power. A proposal by the utility company to relocate the line on the town's eastern boundary met with the approval from Council, with hope expressed that the move will eliminate some of the long-standing problems with television and radio disturbances.

ON THE DOTTED LINE — Mayor Ed Buck signs the multimillion dollar agreement which will see Highway 41 widened from the junction of Secondary Highway 881 to the north town limits.

Elk Point to expand area by one third

The area within Elk Point's Town Limits will expand by one third as of January 1, 1987, when a Local Authorities Board Order approving the annexation of 240 acres of adjoining land comes into effect.

The east half of SW $\frac{1}{4}$ -7-57-6-W4, which lies directly east of the Industrial Subdivision, and the NW $\frac{1}{4}$ -7-57-6-W4, which lies north of the Industrial Subdivision and the other new parcel, are the areas to be annexed.

Mayor Buck, in announcing the approval at Tuesday's regular meeting of Council, reminded Council members that this does NOT mean that the Town will be purchasing the land, but merely

that the owners of the two parcels will now pay taxes to the Town of Elk Point rather than to the County of St. Paul on the property. The two parcels will be reassessed by the Town's Assessor at some time in 1987.

In order to deal with the needs of their growing town, Council voted to go ahead with their application to the Local Authorities Board for debenture borrowing for various capital projects, later passing a bylaw to allow this borrowing. It was noted that because these projects are an extension of services rather than an entirely new project, there was no need to have the bylaw published.

A number of engineering proposals for the projects, which in-

clude street reconstruction, paving and utility line replacement, were discussed at length by Council. It was decided to contact DelCan Engineering to study the engineering requirements and to establish a fixed fee for the various stages of the projects.

A variety of other business was dealt with at the meeting. A resolution of Council was made to include the Elk Point Golf and Country Club in the Town's liability insurance policy at the cost of the Club.

A total of seventeen applications for the position of office manager/accounting clerk were processed recently by the Personnel Committee, with several applicants interviewed. The com-

mittee recommendation to offer the job to applicant Glenis Kitchen was ratified by Council.

Summer staff member Sherry Pinder will receive a retroactive increase in pay of 50 cents per hour in recognition of the supervisory functions she has been carrying out while in charge of the student work crew at the recreation land.

Council approved a request by the Superintendent of Public Works, Ron Fraess, to attend the Western Canada Water and Sewage Conference in Calgary in mid-September.

Engineering information on the damming of Atimoswe Creek was reviewed by committee, with their recommendation that the damming project be shelved until the town's population reaches the 1500 mark, approved by Council. The Town will advise Alberta Transportation that the consideration of incorporating a dam into the reconstruction of SR646 will not be necessary.

The Town has received a cheque for the County of St. Paul's share of the 1985 operational and capital deficit of the municipal airport, and agreed to pay a water hauling bill submitted by Cliff's Trucking with a portion of these funds.

Council has been advised of a subdivision approval appeal launched by WRD Borger Construction Ltd. and scheduled for August 11, 1986. The item in question is a six metre strip of en-

vironmental reserve bordering a ravine in the property, which Council requested instead of a laneway. Council is unsure whether the developer understood that the environmental reserve is instead of the laneway rather than in addition to it, and will draft a letter to that effect to be sent to the hearing in hopes of clarifying the situation.

Council met with Ron Chrapko of Park Lane Investments Ltd. to review the conditions of Park Lane's development agreement as regards surface improvements in the mobile home subdivision. Chrapko offered two alternatives to the street finishing outlined in the agreement, with considerably deeper base course and either curbs and gutters or curbs, gutters and sidewalks rather than a thinner layer of base course and two inches of paving, with no curbs, gutters or sidewalks.

Chrapko suggested that the Town could install the cement work on a frontage basis. However, Council decided against this and voted to respond to Park Lane with a request that the original standards be honored, mentioning that Council would look with favor on the installation of curbs and gutters at the developer's expense.

A request of Wm. and Pearl Bepalko for reduction of their 1986 municipal taxes was approved by Council.

Canada Day a success

Elk Point Canada Day Committee has declared their 1986 celebration a success. An estimated 1200 persons attended the event.

The committee held its wrap-up meeting last week, with committees reporting on the various aspects and presenting ideas for improvements in the future. Needs for an improved stage,

additional bleacher seating and more efficient speakers for the public address system were noted. Designation of a parking area and signs to indicate where the various events will occur were also suggested.

Congratulations to the Committee and all the participants on the year's very successful event.

NORTHMEN BRING HOME SILVER — Rusylvia Northmen brought home the silver medals from the Provincial Intermediate "C" Fastball Championships in Calgary this past weekend. The previous weekend,

they won the Zone 7 championships in Fort McMurray. Watch for full details next week on both championships.

Card of Thanks

Dear Relatives and Friends of Paul Buck

Your recognition of Paul's friendship and support for his family through your acts of kindness, cards, floral arrangements, and memorial donations is gratefully acknowledged.

Thank you to Dr. K McNeilly and staff of the Elk Point Hospital for your care over the years, the Elk Point Ambulance attendants, and the doctors and staff of the Emergency and Coronary Care Unit of the University Hospital.

Thank you to Pastor John McGregor for conducting the Com-

munity service, to Walter Buck for his special words about his father, to the pianist Laura Marie Buck, to the Brother Elks and Ladies of the Royal Purple for their participation in the service and lunch following, to the grandsons for being pallbearers and to the honorary pallbearers. Thanks to the Yewchin Funeral Chapel for their care.

By being able to celebrate Paul Buck's life, his death will be easier to accept. Your support has been most helpful during this difficult time.

Anne Buck, Walter, Ed, Allan and Paula, and our families.

EXCITED WINNER — Linda Wruth (left), who along with husband Wayne, won the color television at Rhondaray Confections, Video and Arcade's First

Anniversary, is congratulated by Beth Brooks of Rhondaray and Gordon LeDrew of the Treasury Branch, who pulled the winning ticket Friday night.

Clandonald News

By Shirley Osinchuk
Clandonald Correspondent

The Rusylvia Ball Wind-up was held on July 23, with a potluck supper for players and families. The girls' team presented awards to the Most Improved Player, Jackie Pfefferle. Darrell Osinchuk and Ruthanne (Dal-Donna Pasulka) received the award for the Most Home Runs, and the Most Valuable Player was Wendy Nowosad.

Appreciation gifts were given to coaches Loretta Harasiuk and Victor Nowosad, and manager Jessie Nowosad. These were gratefully accepted. Players and coaches are looking forward to the next ball season.

Congratulations and best wishes to Darrell Osinchuk and Ruthanne (Dal-Donna Pasulka) who were married on Saturday, August 2, 1986.

This is the week! Clandonald Country Fair is on Friday and Saturday,

August 8 and 9. Bring all your exhibits to the arena between 1 p.m. and 3 p.m. on Friday. No entries can be accepted any later. After 3 p.m. the entries will be judged. The exhibit hall will be open for viewing from 12 to 5 p.m. on Saturday.

The men will be cooking a Pancake Breakfast from 7:30 on Saturday. They will put away their aprons and spatulas in time for everyone to get ready for the parade at 11 a.m.

Be at the hall grounds with your float, decorated bikes, horses, etc., early to be assigned your position in the parade.

After the official opening, immediately after the parade, the bingo, concessions, games, exhibits and visiting will be in full swing. Horseshoes, kids' races, ball games, and Fiddlers' Contest go on through the afternoon, all around the two rink buildings. The dance, in the evening, will be in the arena also, with music by the fiddlers and Dennis Rewuski.

See you at the Fair!

Summer play program news

The children who are registered in the summer play program have been busy these last two weeks. On Friday the 25th of July the children in the morning session went on a field trip to Muriel Lake. Allan and Donna Buck were kind enough to let us use the beach in front of their cabin. This was much appreciated by the summer play staff. Thank-you Allan and Donna! The children enjoyed swimming, playing games, building sand castles, and of course, having a picnic!

On Wednesday the 6th of August both the morning and afternoon sessions will be attending the Vermilion Mini-Olympics. This involves such things as a parade, lots of fun sports and games and also free swimming. Other towns are participating so the children will have a chance to meet a lot of other children. The day is sure to be a big success.

The summer play staff will accept any new registrations for the month of August. If your child is interested drop in at the Community Services Center or phone 724-4074. More interest is needed in both the afternoon session for 8 - 12 year olds and also the youth session on Fridays for ages 13 and up.

MORE PARTICIPATION MEANS MORE FUN.

DON'T FORGET EVERYONE IS WELCOME.

Locals show at Bonnyville

By Mildred Dunham
Ferguson Flats Correspondent

A first for the Lakeland area, Bonnyville really "went to the dogs" last weekend with a most successful dog show. Owners and handlers from southern B.C., southern Alberta and many parts of western Canada, as

well as local people gathered at the Bonnyville Arena & Curling Club for an All Breed Championship Dog Show. The best dogs of many different breeds were judged for conformation and obedience. It was a chance for all dog lovers to see top quality dogs and for owners to advertise their prize animals. The show

was a great success and is probably only the beginning of something that is becoming very popular in other parts of the province. I am sure that many people like myself never realized the true value of a good dog and that there are so many registered animals in the area. Except for pictures in books such as "Silver Chief" I had never seen a Siberian Husky until my sister from Calgary purchased one about ten years ago. She now raises and shows these proud animals while her son Vernon is taking in dog-sled racing; also a fast growing sport.

PRIMPING AND POLISHING — Iris Hodgson of Dewberry grooms her Shetland Sheep dogs ready for the recent show at Bonnyville.

Networking seminar in Vermilion this weekend

Marie C. Nicholls
Secretary-Treasurer

There will be a two day workshop or seminar in Lakeland College, Vermilion, on August 12 & 13th, 1986. This is sponsored by Lakeland Networking Project and Alberta Council On Aging, Edmonton. The theme is "towards one voice working together". Networking is a new word for an old process - Communication. It merely refers to the process of working together, and making use of our communication links.

A network is a community of communities which will provide help when needed. It will enable us to help others. A group of people with common needs can share ideas and information and ways. It will open doors beyond our local communities because it will be a national community linking us with people from every province and territory in the surrounding areas.

All interested individuals are invited to attend. Organizations wishing to have representation should encourage those people to attend who are likely to be active in your organizations decision making.

We have brochures printed and free to any one who would like one. The registration fee is \$5.00 for each individual for the two days.

Health and Welfare Canada, under the New Horizons Program has granted \$2,542 to Lakeland Networking Project Committee. The contribution will help organize a two-day workshop on Networking in Northeastern Alberta. Senior citizens will have the opportunity to discuss problems encountered as groups and individuals.

Our board consists of 18 directors, three which are on the executive. We have representation from senior organizations which takes in the Northeastern Alberta territory.

Our president of the Networking Project is Mr. Peter Birn of Grand Centre, phone no. 594-4184. The secretary-treasurer is myself, Marie C. Nicholls, phone no. 594-4851. Our vice-president is Mrs. Jean M. Brown. Our board consists of 15 directors. We represent Northeastern Alberta and area.

The Alberta Senior Citizens Sports

and Recreation Association is a branch of the Networking Program. The president is Mr. Sid Holthe of Elk Point. The vice-president is Mr. Peter Birn of Grand Centre.

For further information about Networking please phone 594-4851 and ask for Marie.

We will be looking forward to seeing all of you at the seminar at Lakeland College, Vermilion, on August 12 and 13, 1986.

CROP PRODUCERS:

Fertilizer Price Protection
Extended to July 31, 1987

■ The Alberta Farm Fertilizer Price Protection Plan was established in 1985 to reduce crop producers' input costs. The Government of Alberta has now extended this program.

Assistance is available for fertilizer purchased and used between August 1, 1984 and July 31, 1987. Farmers have until January 31, 1988 to apply for assistance.

■ Payments are made directly to farmers on the basis of \$50 per tonne of actual nitrogen and \$25 per tonne of actual phosphate. Fertilizer must have been paid for by the time of application.

■ The program has received applications totalling \$29.5 million to date, from more than 31,000 farmers. The average payment per farm is about \$950.

■ Announcing the continuation of the fertilizer price protection plan now, at the beginning of the 1986-87 crop year, gives Alberta farmers the advance assurance that their costs will be lowered for an important component of next spring's crop inputs.

Commercial Cook

Keyano College, in Fort McMurray, is now accepting applications for its award winning Commercial Cooking program beginning September 1986.

Our 10 month apprenticeship program provides instruction in all aspects of cooking in modern classrooms and labs. Upon program completion students are qualified as 2nd year apprentices.

The Hospitality and Tourism industry has identified a critical need for cooks throughout Canada. Don't miss your opportunity for a career as a commercial cook in this expanding industry.

For more information on Keyano College's Commercial Cooking program, plus housing and sponsorship contact in writing or by phone:

Mr. Walter Taylor
